

Glossary

ACCOUNTING PERIOD – The City of San Diego's fiscal year is divided into 12 accounting periods. Each accounting period includes two bi-weekly payrolls and is generally four weeks long.

ACCRUAL BASIS OF ACCOUNTING – The basis of accounting under which revenues are recorded when earned and expenditures (or expenses) are recorded as soon as they result in liabilities for benefits received, notwithstanding that the receipt of cash or the payment of cash may take place, in whole or in part, in another accounting period.

AD VALOREM – In proportion to value, a basis for the levy of taxes on property.

ALLOCATED RESERVE – Represents funds carried forward from previous fiscal years for current year obligations, including projects that could not be completed prior to the end of the previous fiscal years.

AMERICANS WITH DISABILITIES ACT (ADA) – Americans with Disabilities Act, Public Law 336 of the 101st Congress, enacted July 26, 1990. The ADA prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation. It also mandates the establishment of telecommunications device for the deaf (TDD)/telephone relay services.

ANNUAL BUDGET – The Mayor and City Council's approved plan for the City's financial operations, which includes an estimate of expenditures and revenues for a given fiscal year.

ANNUAL REQUIRED CONTRIBUTION (ARC) – The annual contribution amount into the San Diego City Employees' Retirement System (SDCERS), as defined by the SDCERS actuary.

ANNUALIZATION – Prorating expenditures for a portion of a year over 12 months for the purpose of estimating annual costs.

APPROPRIATED RESERVE – A budgeted reserve within the General Fund to provide for unanticipated needs that arise during the fiscal year. Funds left unexpended in a given fiscal year will return to the General Fund's Emergency Reserve balance and may then be re-appropriated in the subsequent fiscal year.

APPROPRIATION – A legal authorization to make expenditures and to incur obligations for specific purposes.

APPROPRIATION ORDINANCE – The official enactment by the City Council to establish legal authority for City officials to expend and obligate resources. Most ordinances require two hearings: an introduction, followed 12 days later by the adoption. However, the Appropriation Ordinance does not require 12 days between public hearings.

ASSESSED VALUATION – An official government value placed upon real estate or other property as a basis for levying taxes.

BALANCE (FUND BALANCE) – Revenues and assets in excess of the expenditure and reserve obligations of a fund.

BALANCED BUDGET – The amount of budgeted expenditures is equal to or less than the amount of budgeted revenues plus available fund balance.

Glossary

BEGINNING BALANCE – The beginning balance is comprised of residual funds brought forward from the previous fiscal year (ending balance).

BOND – A funding tool representing a written promise to pay a specific sum (face value or principal amount) in the future (maturity date), plus interest. In California, municipal government bonds are only used to finance capital improvements.

BOND, GENERAL OBLIGATION – A limited tax bond which is secured by the City's property tax.

BOND PROCEEDS – Funds derived from the sale of bonds for the purpose of constructing major capital facilities.

BOND RATING – A methodology used to measure the fiscal health of the City. Generally, analyst firms such as Standard and Poor's, Moody's Investor Service, and Fitch Ratings provide bond ratings to municipalities. Bonds rated AAA/Aaa are judged to be the best quality and carry the smallest degree of risk and, together with AA/Aa bonds, comprise high grade bonds. Ratings including "+" or "1" designate the strongest bonds in the rating category. Generally, highly rated bonds result in lower interest rates.

BUDGET – Proposed plan of expenditure and revenue over a specified period of time.

BUDGET CALENDAR – The schedule of major events in the development of the annual budget including the proposed budget, budget hearings, budget deliberations, and the adoption of the annual Appropriation Ordinance.

BUDGET DELIBERATIONS – After the completion of public hearings, the City Council reviews and approves the Mayor's proposed budget during deliberations.

BUDGET DOCUMENT – The instrument utilized to present the City's comprehensive financial plan to the City Council and the public.

BUSINESS AREA – A basic organizational unit of government that may be sub-divided into divisions or programs.

BUSINESS IMPROVEMENT DISTRICT (BID) FUNDS – A special assessment levied upon business owners within a district with specifically defined boundaries established by City Ordinance. These assessments finance improvements within the district.

BUSINESS PROCESS REENGINEERING (BPR) – The redesign of work processes (activities, services, or functions) for substantial improvement. Business process reengineering is a radical improvement approach that critically examines, rethinks, and redesigns processes to improve efficiency and effectiveness.

CALENDAR YEAR (CY) – A 12-month term from January through December.

CAPITAL IMPROVEMENTS PROGRAM (CIP) BUDGET – Authorized expenditures for tangible and long-term physical improvements or additions of a fixed or permanent nature (e.g., sewer main replacement or a new fire station).

CAPITAL IMPROVEMENT PROJECT – A capital improvement is generally a large construction project such as the development of park land, the construction of an overpass, the installation of a traffic signal, the acquisition of land, or the construction or remodeling of a City building. Funds for these projects are derived largely from the issuance of bonds, water and sewer fees, a one-half cent local sales tax for transportation improvements (TransNet), grants, and developer impact fees.

CASH BASIS OF ACCOUNTING – The basis of accounting under which revenues are recorded when received in cash and expenditures (or expenses) are recorded when cash is disbursed. Since payments for goods and services can be delayed to the next fiscal year, cash on hand can result in an inaccurate picture of the financial condition of a fund. To be in conformance with Generally Accepted Accounting Principles (GAAP), local governments must use an accrual basis rather than the cash basis of accounting.

CHARGES FOR CURRENT SERVICES – This revenue results from user fees for various City services. Library charges, golf course fees, filing fees for planning services, charges for engineering, and reimbursements for fire and police services are included.

CITY MANAGEMENT PROGRAM (CMP) – A program designed to integrate strategic planning and performance monitoring efforts with the budget decision-making process.

COMMERCIAL PAPER – A short-term borrowing tool typically used to raise money needed to cover cash-flow deficits. Maturation on commercial paper does not exceed nine months (270 days) and averages about 30 days. However, the TransNet Commercial Paper Program has a longer maturation period.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDS – Funds established to account for revenues from the federal government and expenditures as prescribed under the Community Development Block Grant Program.

COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR) – A report prepared by the City Comptroller's Office that summarizes financial data from the previous fiscal year in a standardized format. The CAFR is organized by fund and contains two basic types of information: a balance sheet that compares assets with liabilities and fund balance, and an operating statement that compares revenues with expenditures.

CONTINUING APPROPRIATIONS – Funding approved in the current budget but not expended during that current budget year. These appropriations are carried forward into the next fiscal year for their intended purposes.

CONTRACTUAL SERVICE – A written agreement or legal instrument whereby the City of San Diego is committed to expend, or does expend, public funds in consideration for work, labor, services, equipment, or any combination of the foregoing.

CONTRACTS - This expenditure category consists of contractual agreement expenses for services provided.

DEBT SERVICE – Payment of interest and principal on an obligation resulting from the issuance of bonds.

DEPARTMENT – A basic organizational unit of government that may be sub-divided into divisions or programs. Also referred to as Business Area.

DEFERRED MAINTENANCE – A backlog of needed repairs to City facilities or other assets such as streets, roof repairs, heating and cooling system upgrades, painting, floor covering repair, structural repairs, and slurry sealing of streets.

DISBURSEMENTS – Funds actually expended.

DISCRETIONARY FRINGE - Discretionary fringe costs are determined by actual payroll activity and is affected by reductions, additions, vacancies, and other labor activities. Examples of discretionary

Glossary

fringe are: Supplemental Pension Savings Plan, Medicare, Retirement Offset Contribution, Employee Offset Savings, Unemployment Insurance, and Unused Sick Leave.

DIVISION – An organizational component of a department, which may be sub-divided into programs.

DISCRETIONARY FUNDS – Funds for which there are no restrictions on the use of fees or taxes collected.

EDUCATIONAL REVENUE AUGMENTATION FUND (ERAF) – Following the deficit crisis in 1992, the State of California enacted legislation that shifted partial financial responsibility for funding education to local governments in order to meet its obligations to fund school districts at specified levels under Proposition 98. These revenue shifts are known as ERAFs.

EMERGENCY (UNAPPROPRIATED) RESERVE – This reserve was established to fund major General Fund emergencies and to assist in maintaining a favorable bond rating. City Council authorization is necessary to expend these funds.

ENCUMBRANCE – An encumbrance designates or reserves funds for a specific purpose as approved by the appropriate authority. When the goods and services are received, the encumbrance is released and the expenditure is recorded for the actual costs.

ENERGY AND UTILITIES – This expenditure category includes gas, electrical, water, sewer, telephone, and other utility expenses.

ENTERPRISE FUNDS – Funds established to account for specific services funded directly by fees and charges to users such as water and sewer services. These funds are intended to be self-supporting.

ENVIRONMENTAL GROWTH FUND – This fund was established in accordance with Section 103.1a of the City Charter to receive 25 percent of all funds derived from the revenues accruing to the City from gas, electricity, and steam franchises.

EQUIPMENT AND VEHICLE FINANCING PROGRAM – A lease-purchase program for vehicle and equipment acquisitions. Lease payments are subject to annual appropriations and are not considered to be debt under the City Charter or the State Constitution.

EQUIPMENT OUTLAY – This expenditure category includes purchases of capital equipment, such as furniture, vehicles, large machinery, and other capital items. The Equipment and Vehicle Financing Program is budgeted within this expenditure category.

ESTIMATED REVENUE AND EXPENSE – The revenue or expense projected to be received or expended during a specific time period, usually a fiscal year.

EXPENDITURE – The actual outlay of monies from the City treasury.

EXPENDITURE CATEGORY – Also known as allotment classes, expenditure categories are groupings of similar types of expenditures. The City uses six major expenditure categories: Personnel Cost, Fringe Benefits, Supplies, Contracts, Information Technology, Energy and Utilities, and Equipment Outlay.

EXPENSES – Charges incurred for operations, maintenance, interest, or other charges.

FEDERAL GRANT FUNDS – These funds were established to account for revenue from the federal government and expenditures as prescribed by grant provisions/agreements.

FINES AND FORFEITURES— Revenue resulting from violations of various City and State laws and from damage to City property.

FISCAL YEAR (FY) – A 12-month term designating the beginning and ending period for recording financial transactions. The City of San Diego has specified July 1 through June 30 as the fiscal year.

FIVE-YEAR FINANCIAL OUTLOOK – The Five-Year Financial Outlook includes revenue and expenditure forecasts which are based on various assumptions, such as economic conditions or previous policy decisions. The Financial Outlook serves as a long-range planning tool which identifies priorities, economic trends, risks and opportunities, and guides the City in the development of future budgets.

FIXED FRINGE - Fixed fringe cost are yearly liabilities the City is obligated to expend regardless of current FTE count or salary amounts. If FTEs or salaries are adjusted either due to reductions, additions, or vacancies, the collection rate for the fixed fringe cost must be adjusted to fully expend the budgeted allocation. Fixed fringe includes: Annual Required Contribution for pension, Other Post Employment Benefits, Workers' Compensation, Risk Management Administration and Long-Term Disability.

FLEX BENEFITS - An Internal Revenue Service (IRS) qualified cafeteria-style employee benefits program in which employees select their medical insurance coverage and other non-taxable fringe benefits from a lists of options provided. Eligible participating employees include one-half, three-quarters, or full-time status employees.

FRANCHISE FEES – Fees resulting from agreements with private utility companies in exchange for use of the City's rights-of-way.

FRINGE BENEFITS – This expenditure category consists of the costs to provide employee benefits. Typical employee benefits include the flexible benefit program, insurance, and retirement. According to the City Charter, fringe benefit expense is not considered a salary or wage expense.

FULL-TIME EQUIVALENT (FTE) – The decimal equivalent of a part-time position converted to a full-time basis, i.e., one person working half-time would count as a 0.50 FTE position.

FUND – A fiscal and accounting entity with a self-balancing set of accounts to record revenues and expenditures.

GANN LIMIT (PROPOSITION 4) – Under this article of the California Constitution, the City must compute an annual appropriations limit that places a ceiling on the total amount of tax revenues the City can actually appropriate annually.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP) – The uniform minimum standards used by State and local governments for financial recording and reporting that have been established by the accounting profession through the Governmental Accounting Standards Board (GASB).

GENERAL FUND – The City's main operating fund that pays for basic City services that use most of the City's tax revenue, such as public safety, parks, and library services. The General Fund is also supported by fees from licenses and permits, fines, and investment earnings.

GENERAL GOVERNMENT SERVICES BILLING (GGSB) – A standard methodology to allocate expenses for General Fund departments providing support services to non-general fund departments. For example, the allocation of a portion of the expenses for the City Comptroller to the Water Department based on an auditable formula.

Glossary

GRANT – A contribution by a government or other organization to support a particular function.

GROWTH RATE – The level at which expenditures and revenues are expected to increase annually.

INFORMATION TECHNOLOGY (IT) – This expenditure category includes data center, network, procurement and maintenance of hardware, software, telephones, and associated labor.

INTEREST AND RENTS – These revenues result from investment earnings on City funds, parking meters, various franchise agreements, and agreements for use of City land and facilities.

INTERFUND TRANSFERS – A transfer of monies between departments/funds for specific purposes as approved by the appropriate authority.

INTERNAL SERVICE FUND – A fund created to finance and account for a department's or division's work for other departments. The fund's expenses are repaid from fees or fund transfers from other City departments.

LEVY – To impose taxes, special assessments, or charges for the support of City activities.

LICENSES AND PERMITS – This revenue category includes revenue raised for the purpose of recovering the costs associated with regulating business activity. Many of these fees are regulatory in nature in order to ensure compliance with the law.

MAINTENANCE ASSESSMENT DISTRICT (MAD) FUNDS – Property owners within a specified district are assessed for the purpose of financing maintenance of open space areas, street medians, rights-of-way, and in some cases, mini-parks and streetlights.

MANAGED COMPETITION – A structured, transparent process that allows public sector employees to be openly and fairly compared with independent contractors (normally private sector firms) for the delivery of services.

MANDATED PROGRAM – A requirement by the State or federal government that the City perform a task in a particular way, or perform a task to meet a particular standard, often without compensation from the higher level of government.

MISCELLANEOUS REVENUE – This revenue category consists mainly of refunds and revenue generated from the sale of publications and excess inventory.

MISSION STATEMENT – A statement that articulates the purpose of an entity (e.g., City, department, division, or work unit).

MODIFIED ACCRUAL BASIS OF ACCOUNTING – Under the modified accrual basis of accounting, required for use by governmental funds, revenues are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred pursuant to appropriation authority.

MODIFIED CASH BASIS OF ACCOUNTING – A plan under which revenues are recognized on the cash basis while expenditures are recognized on the accrual basis; this is sometimes known as Modified Accrual Basis.

MOTIVE EQUIPMENT ASSIGNMENT AND USAGE – Costs associated with motor vehicles consist of two charges, assignment and usage. Assignment charges represent an amount to offset the annualized estimated expense for replacing the vehicle at the end of its economic life. Usage charges are fees that offset all operating expenses associated with the equipment class, including maintenance, fuel, tires, and repairs.

MOTOR VEHICLE LICENSE FEES (MVLFF) – Fees paid to the Department of Motor Vehicles (DMV) at the time of vehicle registration. The fees are levied as a percentage of an automobile's purchase price, subject to depreciation.

NET TOTAL COMBINED BUDGET – The City's total budget including operating and capital revenues and expenditures that reflects General Fund, special revenue funds and enterprise funds, less inter-fund transfer activity, for a fiscal year.

NON-DISCRETIONARY – Non-discretionary expenditures are expense allocations that are determined outside of the department's direct control. These adjustments are generally based on prior year expenditure trends and examples of these include utilities, insurance, and rent.

NON-GENERAL FUND – A fund that is not supported by General Fund dollars. Examples of non-general funds include internal service, special revenue, trust, agency, and enterprise funds.

NON-PERSONNEL EXPENSE – Expenditures related to supplies and services, information technology, energy, utilities, and outlay.

OneSD – A comprehensive strategy known as SAP Enterprise Resource Planning ("ERP"). This program changes the way the City does business by integrating enterprise data, information, and business processes into one system. When fully implemented, OneSD applications will be used citywide.

ONE-TIME EXPENDITURES AND/OR REVENUES – Expenditures and/or revenues for one-time projects or services. After the project or service is completed, expenditures and/or revenues are terminated and are not considered part of the budget for the following year.

OPERATING BUDGET – Authorized expenditures for ongoing municipal services (e.g., police and fire protection, street maintenance, parks, and libraries).

ORDINANCE – A law adopted by the City Council. Ordinances usually amend, repeal, or supplement the Municipal Code; provide zoning specifications; or appropriate money for specific purposes.

OTHER LOCAL TAXES – Taxes other than property tax, including sales tax, property transfer tax, and transient occupancy tax.

OTHER POST EMPLOYMENT BENEFITS (OPEB) - Post employment benefits that a retired employee earns after retirement such as: medical insurance, dental, vision, life insurance and other health benefits.

PERFORMANCE MEASURE – An indicator of the results of an action, task, process, activity, function, or work group. Performance measures may be output- or outcome-based, the former focused on the amount of work or work product created by the action, task, process, activity, function, or work group being measured and the latter focused on the impact or effectiveness of the action.

PERFORMANCE MONITORING – A process that includes tracking and analyzing performance data (e.g., performance measures) to infuse accountability into processes and efforts, monitor successes and compare levels of success with other entities', and support data-based decision making.

PERSONNEL EXPENSE – Expenditures related to employee compensation including wages and salaries, fringe benefits, retirement, and special pays such as shift differentials.

Glossary

POLICY ISSUES – The addition, expansion, reduction, or modification of programs that have significant implications/impacts to the City or public.

PRE-COMPETITION ASSESSMENT – The first phase of the managed competition process wherein a function is evaluated to determine whether it is eligible and appropriate to move forward to a competitive procurement.

PROGRAM BUDGETING - A budgeting practice of categorizing or establishing budgets by grouping expenditures and revenues into functional activities or programs.

PROPERTY TAX – An ad valorem tax on real property, based upon the value of the property. In accordance with Proposition 13, secured property is taxed at the rate of 1 percent of assessed valuation, plus a rate sufficient to generate revenue necessary to pay for voter-approved indebtedness.

PROPERTY TRANSFER TAX – A tax imposed whenever the ownership of real property changes.

PROPOSED BUDGET – The Mayor's recommendation for the City's financial operations, which includes an estimate of proposed expenditures and revenues for a given fiscal year. The proposed budget is delivered to City Council in April of each year.

PUBLIC BUDGETING FORMULATION (PBF) - The City's budgeting system used in the preparation of the City's proposed and annual budgets. It is a web-based application that records proposed expenditures and revenues for all City Departments and programs.

PUBLIC LIABILITY CLAIMS FUND – A program from which the City pays claims arising from real or alleged acts on the part of the City, including claims for bodily injury, property damage, inverse condemnation, false arrest, and errors and omissions.

REDISTRIBUTION - Process whereby expenses and revenue budgets are redistributed within or across divisions to reflect the way the expenses are incurred and revenues are collected.

REIMBURSEMENT – Fees received as payment for the provision of specific municipal services.

REQUEST FOR PROPOSAL (RFP) – A document intended to elicit bids from potential vendors for a product or service. The quality of an RFP is very important to successful project management because it clearly delineates the deliverables associated with the project and establishes a framework for project execution. Ideally, RFPs stipulate the requesting organization's requirements and the conditions demanded of applicants clearly enough to minimize the possibility of misunderstandings and errors.

RESERVE – An account used to indicate that a portion of a fund's balance is legally restricted for a specific purpose and is, therefore, not available for general appropriation.

RESOLUTION – Formal expressions of opinion or intention of the City Council. Resolutions typically become effective upon their adoption.

REVENUE – Funds received from various sources and treated as income to finance expenditures.

REVENUE AND EXPENSE STATEMENT – The revenue and expense statement reflects financial information of a fiscal and accounting entity including revenues, expenditures, reserves, and balances.

REVENUE CATEGORIES – The major categories of revenue are property taxes, local taxes, licenses and permits, fines and forfeitures, revenue from money and property, revenue from other agencies, charges for current services, miscellaneous revenue, and transfers from other funds.

REVENUE FROM MONEY AND PROPERTY – This revenue category consists of revenue from money which includes interest earnings and dividends, and revenue from property which includes revenue from rents and concessions.

REVENUE FROM OTHER AGENCIES – This category includes revenues from federal grants, State grants and allocations, State Motor Vehicle License Fees, and reimbursement from the Unified Port District for services provided.

SALARY AND BENEFIT ADJUSTMENT – Adjustments to reflect negotiated salaries and benefits, changes to average salaries, and other salary and benefit compensation.

SALARIES AND WAGES – This expenditure category includes salaries, hourly wages, overtime, bilingual pay, and special pay expenses. According to the City of San Diego Charter, fringe benefit expense is not considered a salary or wage expense.

SAN DIEGO CITY EMPLOYEES' RETIREMENT SYSTEM (SDCERS) – The retirement system for City of San Diego, Unified Port District, and San Diego County Regional Airport Authority employees.

SCHEDULES – The schedules provide a summary of revenues, expenditures, and positions for the operating budgets of all departments and budgeted funds, and reflect the funding sources and spending areas of the Capital Improvements Program. The schedules also summarize the City's total combined budget.

SERVICE LEVEL AGREEMENT (SLA) – A service level agreement is a contract used between City departments that define the relationship between two parties: the service provider and the client department.

SIZING AND WORKLOAD DATA – Data used to provide context for work being performed and to convey the volume or breadth of work performed (e.g., number of facilities, number of City residents, number of customers served, number of work orders completed).

SPECIAL DISTRICT – A designated geographic area established to provide a specialized service usually petitioned for by the residents and approved by the Mayor and City Council (e.g., Open Space Maintenance).

SPECIAL REVENUE FUNDS – These funds account for revenues received that have specific purposes for which they can be used.

STATEMENT OF WORK (SOW) – A document that defines the areas of work and performance standards on which external bids will be requested. The SOW will be performance-based and will specify desired outputs, performance levels, and outcomes. The SOW focuses on what should be done rather than on how it is currently done and must provide the information necessary for proposal teams (internal to the City and external) to develop an approach and cost for providing the service.

STRATEGIC GOALS – Broad, multi-year areas of priority and focus.

STRATEGIC OBJECTIVES – Attainable, mid-term achievements that help to accomplish strategic goals.

STRATEGIC, TACTICAL, AND DEPARTMENTAL PLANS – Plans developed to define the strategy or direction of an organization. The City's Strategic Plan provides a guiding vision for the City while

Glossary

tactical or departmental plans provide strategy or direction for a department, division, or work unit that is very tangible and specific, delineating implementation processes.

STRONG MAYOR FORM OF GOVERNANCE – The City’s system of government changed on January 1, 2006 from a City Manager form to a Strong Mayor form. The change, approved by City voters in November 2004, will exist on a five-year trial basis, after which voters will decide whether or not to make the shift permanent. Under the new system, the Mayor is the City’s Chief Executive Officer, similar to the Governor or the President. The City Council is the legislative body, providing checks and balances to the Mayor’s new authority.

SUPPLIES– This expenditure category consists of materials and supplies.

SUPPLEMENTAL POSITIONS – Supplemental positions are any positions not included in a department’s budgeted staffing and FTE count.

TARGET(S) – Anticipated and/or desired level of performance. Targets are intended to support resourcing decisions.

TAX ANTICIPATION NOTES FUND – Contains monies that are borrowed from the sale of Tax and Revenue Anticipation Notes (TRANS) on a short-term basis to meet the cash requirements of the City prior to the receipt of property taxes.

TAX AND REVENUE ANTICIPATION NOTES (TRANS) – Short-term notes issued to finance the City’s General Fund interim cash flow requirements in anticipation of the receipt of tax proceeds and other revenues later in the fiscal year.

TAX RATE ORDINANCE – This ordinance, annually adopted by the City Council, fixes a rate of taxation for real and personal taxable properties.

TRANSFERS – Transfers are the authorized exchanges of cash, positions, or other resources between organizational units.

TRANSIENT OCCUPANCY TAX (TOT) – A tax that is imposed on occupants of hotel and motel rooms in the City of San Diego.

TRANSIENT OCCUPANCY TAX FUND – A fund established to receive five cents of the ten and one-half cents of the Transient Occupancy Taxes collected, in accordance with the Municipal Code.

UNALLOCATED RESERVE – A General Fund reserve established to provide sufficient funds to meet the cash demands of the treasury each fiscal year prior to the collection of taxes.

UNFUNDED ACTUARIAL ACCRUED LIABILITY (UAAL) – A liability generally representing the difference between the present value of all benefits estimated to be payable to plan members as a result of their service through the valuation date and the actuarial value of plan assets available to pay those benefits. This amount changes over time as a result of changes in accrued benefits, pay levels, rates of return on investments, changes in actuarial assumptions, and changes in the demographics of the employee base.

VISION STATEMENT – A statement that articulates the desired future state of an entity (e.g., City, department, division, or work unit).

WORKERS' COMPENSATION - State Workers' Compensation law that ensures that employees who are injured or disabled on the job are provided with fixed monetary awards. These laws are intended to reduce litigation and to provide benefits for workers and (their dependents) who suffer work-related accidents or illnesses.

ZERO-BASED BUDGETING - Method of budgeting in which all expenses must be justified from a zero-base.

ZOOLOGICAL EXHIBITS FUND – This fund was established to expend monies for maintenance of zoological exhibits in Balboa Park and is financed from a fixed property tax levy authorized by Section 77A of the City Charter.
